2022-2023

WAROA'S CURRENT PURPOSE AND STRATEGIC INTENT

WAROA are the independent and eligible body representing thoroughbred owners in Western Australia. We provide a direct voice for owners to Government, Racing and Wagering Western Australia (RWWA), race clubs and other relevant industry associations. We sit on the TRCG and ATROC advisory Committees to ensure that rights of racehorse owners are considered at both a national and state level. We ensure that we as an association are kept informed of the issues impacting owners in Western Australia and are committed to consultation with our members to ensure that your voices and opinions are heard.

OUR OBJECTIVES

- Being the voice of racehorse owners in Western Australia
- To fight for the rights of racehorse owners
- To improve the racehorse owners experience through ensuring their rights
- Consulting with the owners on their views/feedback/issues
- To provide a platform for owners to come together

Why Become a Sponsor

- 1. Business Promotion.** We will promote your business to our membership base and through our partners. Depending on your level of sponsorship you will receive logo placement throughout our member communication, website, social media and events.
- 2. Business Recognition.** Depending on your level of sponsorship you will have the opportunity to sponsor events throughout the membership year. These will be named events and you will have the opportunity to speak and introduce your business to the members and guests.
- 3. Direct Access.** During the year you will have direct access to our member base. You will be allowed to directly email them depending on your sponsorship level.
- 4. Supporting Our Cause.** By being a sponsor of WAROA you are assisting our association to be the independent voice of racehorse owners in WA, advocating for the rights of those that invest so heavily in an industry that supports a large amount of people.
